SECTION 2: COMPULSORY WEEKEND EXAM WORKSHOPS

Following please find the timetable for extra exam rehearsals for the SFD Ballet, Tap & Jazz Examination students. Each grade will have two additional lessons over two separate weekends. Teachers will be checking that all the work is correct and that each student is ready for their exam. Your child may have a different teacher to their regular class in order to double check and provide a different perspective. I believe that these classes are essential for all students to help them relax and feel prepared for this year's exam session. These lessons are **compulsory** for all exam students. If you are unable to attend, you are required to arrange a private lesson to go over everything that you will miss. **Private lessons are \$65.00 per hour, to be arranged through Miss Shilleena if required.**

Please wear your uniform and practice doing your hair as per the information on page 1 of this letter (however you might want to save your good tights for exam day).

*** If your child is in multiple exams for the extra practices you can wear your tap/jazz uniform for one week and your ballet uniform the next week. You do NOT have to change clothes in between classes ***

A small fee is charged to each examination class to cover the cost of hall hire and teacher time. Please bring this payment in **cash** to your **first workshop class** or pay by direct deposit into the SDA account prior to the first class (don't forget to put your child's name as a reference).
