

Dear SDA!

We are holding some holiday adult classes in January to get you moving after the festive season.

These classes require a basic skill level and are not tailored to beginners but rather to those with previous dance experience. If you are unsure if these classes are for you, just email or call me & I can advise you.

The schedule is detailed below & classes are \$25/class or \$40 for 2 classes.

Classes will run upstairs in our SDA studios & we need minimum numbers to run the classes. If you are interested in getting an early start to the year & enjoying our awesome holiday classes, please let me know & I can book in!
