Fees and Accounts

Fees for lessons are charged per term and are payable before or at the first lesson of each term. Fees are calculated by dividing the annual fee into 4 equal term payments, therefore there will be no adjustments for shorter- or longer-term periods. Fees not received by the close of the second week of term will be subject to an 11% administration fee. There will be classes held on all pupil free days but NOT on public holidays. You will receive a credit for the public holiday if it falls on your lesson day.

Payment Method / Policies

Payment by direct deposit or cash are required prior to the due date (end of week two). Please email your remittance advice as soon as possible and use your invoice number or surname as reference. If you have queries about your account, please direct them to Shilleena via phone or email.

If a student withdraws their enrolment before the end of a term, the full term's fees will remain payable. At any time, a student's enrolment must be officially withdrawn by informing the principal, otherwise fees will continue to accrue as the student's place is held in the class. Students are advised to keep their own record of payments made for class fees.

Classes Missed due to Illness or Holidays

If you miss a class due to illness (including any quarantine requirements) or because you are taking holidays during class time, refunds or credits will not be made for those missed classes. Students may take a 'make-up' lesson instead with a comparable class. Make-up lessons are available for the full dance year but expire at the end of term 4 each year. These can be arranged by contacting Shilleena via email.

Students audition for their place in the group at the end of the previous year. Students who display a willingness to improve, teamwork and great dedication are welcome to be part of the group. To be eligible, students must currently study at least two styles of dance with SDA.

Eisteddfods

The most regular form of dance competition is the local eisteddfod. These are conducted several times each year throughout the greater Brisbane area and can be a wonderfully rewarding experience for students, providing valuable stage experience and exposure to their peers. Dancers wishing to compete in eisteddfod competitions (solo or otherwise) will require private or semi-private lessons to prepare. Students in the performance groups will compete in the group categories at eisteddfods several times each year. Please speak to your teacher if you would like more information about performing at these events.

Private Lessons

Private lessons are an option for any student who may need additional preparation for examinations, assessments, competition, or for general practice. Private lessons are for individual students. Semi-private lessons with up to 3 people may also be arranged. Please contact Miss Shilleena if you are interested.

Parent Watching Week

Parent Watching Week is held twice a year as an opportunity for parents to watch their child's class. We look forward to seeing you during the second-last week of Term 1 and Term 3. Please see our newsletter for further information.

SDA Choreography Competition

Each year we hold our SDA Choreography Competition. This is a competition where the students perform their own choreography in solos, duos, trios or small groups for an audience and a small panel of local judges. This wonderful event will be held in mid term 3 and there are great prizes to be won and it is a fun night for all. More details and entry forms will be handed out in term 2.

Second-Hand Footwear & Clothing

Second-hand dancewear is available at SDA and is kept in the 'Upstairs' kitchen cupboards. If you are interested in trying something on, please ask your teacher before or after class. Students are also welcome to sell any second-hand dancewear by placing the item in a snap-lock bag with your name, the item, its size and the price you are asking. All items left at the studio for sale are done so at your own risk. SDA is not responsible for items that may go astray.

SDA Dance Apparel & Accessories

SDA apparel is available, with orders placed at the end of each month. We have a range of Skins, crops and pants, singlets and t-shirts, winter apparel, dance bags, socks and masks. All exam and concert tights are available to purchase from Miss Shilleena. Please see the order form available from our website, or our shop on Facebook for more details.

Lost Property

The teachers will retain lost property for a period of time in the lost property shelf in the 'Upstairs' kitchen cupboard (next to the second hand items). Please check the shelf or with your teacher ASAP if you are missing any property. Any items remaining in the cupboard at the end of each term will be donated to charity.

Emergency Procedures

A stocked first aid kit is accessible to all classes at all times. Teachers also carry updated lists of emergency telephone numbers. In the event of a medical emergency, the teacher will endeavour to contact parents immediately. If parents are un-contactable, the teachers reserve the right to call for ambulance service if deemed necessary. It is imperative that all pre-existing conditions or temporary medical conditions be disclosed to Miss Shilleena upon enrolment and during the year as required.

Parking & Hall Care in Waiting Areas

Traffic can become congested around the York Street Hall. There is plenty of room to park in York Street and the surrounding side streets. Parents are asked not to park on the grassed area, and to leave the driveway clear for teacher parking only. Please be considerate of the residents in the area and do not park across driveways or footpaths. Also, as we do not own the premises, please be careful to respect the church's property and always keep an eye on your children to make sure that they are following these rules. As the teachers are in class and are unable to supervise the waiting areas or outside, please be aware that any children outside the classroom are your responsibility. Also, if food is being eaten in the waiting areas of the halls please be considerate of other patrons and always throw your rubbish away, clean up any crumbs with the washers and cleaning products provided in the kitchen, and wash any glasses or plates. Please note that NO FOOD/DRINK is to be taken into the studio (excluding a named water bottle) as some of our students have food allergies.

Feedback, Complaints & Difficulties

Any complaints and/or difficulties can be easily resolved as Miss Shilleena is always available. We appreciate your feedback and always take it into consideration. Please feel free to contact Miss Shilleena by phone or email. We encourage you to contact us immediately should a concern arise.

RISK MANAGEMENT STRATEGY FOR CHILD PROTECTION

Commitment

Shilleena's Dance Academy aims to –

- provide a high standard of tuition in ballet, jazz, tap, creative dance, contemporary and acrobatics.
- nurture a love of dance.
- provide encouragement and support to the individual.
- provide a well-rounded dance training program.
- provide a fun and creative class environment.

Shilleena's Dance Academy is committed to the safety and wellbeing of all children attending this dance school. Shilleena's Dance Academy is committed to providing services to children and young people to assist them to fulfil the aims listed above.

To ensure children and young people are kept safe from harm, I will conduct my business activities in accordance with the following risk management strategies. I will:

- ensure that all employees/volunteers responsible for students are unaffected by the use of substances which may compromise the appropriate supervision of children at all times,
- gain consent from parents or carers before photographing or videoing any child,
- gain consent from parents or carers before communicating by phone or email with any child,
- not support bullying or harassment by anyone to anyone, including among children,
- ensure that no visitors or outsiders have contact with the children, and
- notify parents/carers if I am unable to conduct classes.

Code of Conduct

The SDA community will:

- foster mutual respect between teachers, children and young people regardless of cultural identity and cultural practices/behaviour,
- understand children and young people, their ages, stages of development, special circumstances and special needs,
- use language which is age/stage appropriate, clear, non-threatening and non-sexual,
- use physical contact only where it is completely necessary during the course of business-related duties and where permission from the child and the child's parent/carer has been gained in that instance,
- willingly listen to a child or young person's concerns/issues,
- willingly use a variety of methods to motivate a child,
- openly listen to parent/child suggestions, feedback and complaints, and
- employ corrective practices which are not punitive, humiliating or aggressive.

Children also have responsibilities. They will demonstrate:

- a willingness to learn,
- a willingness to listen and receive instructions,
- respect for other children, young people and adults who may be waiting for lessons,
- safe and appropriate behaviour while waiting for lessons to commence, or while waiting to be collected by parents/carers, and
- responsibility for appropriate behaviour and reporting inappropriate behaviour and unsafe situations or harm.

Parents and caregivers should:

- drop off and pick up children and young people in a timely fashion, leaving the child in their teacher's care only,
- accept feedback regarding their child's progress,
- focus on, and encourage, the child's efforts and performance,
- provide the necessary clothing and footwear relevant to the dance style as requested,
- alert me to any concerns as soon as they arise when possible,
- give constructive feedback on my policies and procedures,
- provide information to teachers regarding medication/injuries/life events that may affect their child's performance in class,
- be aware that personal information will be treated confidentially and privacy will be respected, and
- remember that their child participates in activities for their own enjoyment, not the parents/carers.

As the Principal of SDA, I have the right to:

- cease teaching a child or young person who is consistently non-compliant or obstructive, in which case the parent/guardian will be contacted immediately,
- raise any concerns I may have with child and/or parent,
- expect that any child/parent will make concerns known to me as soon as they arise so that a resolution can occur as quickly as possible,
- allow only a parent, guardian or other nominated person to pick up a child from my place of business, and
- report disclosures and suspicions of harm.

As a member of Ausdance Queensland, teachers at SDA employ injury prevention and management strategies, in accordance with the Australian Guidelines for Dance Teachers. The importance of correct warm-up and cool-down is emphasised and applied in all classes.

There may be instances where physical contact is necessary between a student and a teacher. Examples include injury prevention and management, particularly during acrobatics classes, to demonstrate a skill or for instructional purposes as part of an activity, or to assist with toileting of young children. Inappropriate physical contact will not be tolerated and will be reported, including, but not limited to, violent or aggressive behaviour such as hitting, kicking, slapping or pushing, kissing, or touching of a sexual nature.

Employees of SDA may be required to provide first aid to students as required. This may include calling an ambulance if necessary. All efforts will be made to contact parents/caregivers in this instance.

Teachers at SDA will be encouraged to develop appropriate relationships with children and young people under their tutelage. We encourage an open and friendly environment that communicates freely and inclusively. Friendships with students, including those on social media, are at the discretion of the teacher. It is the teacher's responsibility to ensure that appropriate security and privacy measures are in place for the posting of content. It is the student's responsibility to ensure that appropriate professional boundaries are respected. At all times, both teachers and students must follow the guidelines for age limitations specified by the social media platform.

All teachers must be able to provide an appropriate Blue Card for working with children, as well as appropriate training and experience for the level being taught. Ongoing training, support and guidance are provided to staff and volunteers at staff meetings held regularly throughout the year.

Use of Technology and Social Media

The use of cameras, smartphones, computers, mobile phones, video cameras and other electronic devices by students and parents is strictly prohibited in the studio. The use of these devices in the studio will result in their confiscation by the teacher for the duration of the class.

The exception of this rule is during Parent Watching Week when parents/carers may photograph and/or video their child during their lesson. Please be mindful that other parents/carers may not want their child photographed, and you should try to gain permission before posting on social media if this is the case.

Teachers are permitted to record dancers for demonstration and/or choreographic purposes. SDA reserves the right to use photography and video taken during class by teachers for advertising and social media purposes unless specifically denied the right to do so in writing.

Procedure for Making Complaints

If you have a concern or complaint, please contact me as soon as possible so I can respond as quickly as possible. Arrange a time either at the beginning or end of the lesson or at a time convenient to both parties when there is sufficient time to discuss any issues. Ensure only relevant parties are present when a complaint is being discussed. If possible, it should not be discussed within hearing range of the child or young person.

Reporting Guidelines and Directions for Handling Disclosures and Suspicions of Harm

If confronted with a disclosure of harm from a child or young person, I will respond professionally and in the best interests of the child or young person subjected to the alleged harm. I will ensure that children know it is their right to feel safe at all times and take anything a child or young person says seriously and follow up their concerns.

Reporting of disclosures and suspicions of harm will be made in accordance with procedures recommended by the Commission for Children and Young People and Child Guardian.

In summary:

- I will document the disclosure or suspicion of harm in a non-judgemental and accurate manner as soon as possible,
- I will notify the Department of Child Safety if I suspect or am told that your child is being harmed at home,
- I will notify the Queensland Police Service if I suspect or am told that your child is being harmed outside the home,
- I will notify the Department of Child Safety/Queensland Police Service if I am concerned that your child is self-harming, and
- any reports or documentation on disclosures of harm will be kept confidential and secure, with access strictly limited and on a 'need to know' basis.

Policy for Managing Breaches of the Risk Management Strategy

Breaches of this risk management strategy by parents/carers or children, specifically in terms of breaching a code of conduct, may result in:

- changes to future class arrangements
- termination of further tuition, and/or
- notification to external authorities if a breach is considered critical.

Policies and Procedures for Compliance with Blue Card Legislation

I will review this strategy at least annually and record the date of review on the current version of this strategy.

Risk Management Plans for High-Risk Activities and Special Events

Where a high-risk activity (one requiring extra planning/supervision) or special event takes place, parents/guardians will be provided with the relevant information regarding:

- the purpose of the event and its intended outcome for your child,
- the venue,
- the organiser's risk management strategy where possible/relevant (if the event is to take place at a venue other than my place of business),
- any potential risks unique to the special event and how they will be prevented,
- location of venue and its reputation for conducting special events,
- bathroom locations,
- estimated attendance numbers,
- supervision arrangements, and
- transportation arrangements.

A 'risk register' for my general business activities will be used to plan for/calculate the likelihood of unsafe situations for my business and determine the necessary action if that situation were to eventuate.

Strategies for Communication and Support

A copy of my current risk management strategy will be displayed at my place of business, and a copy will be provided to each parent/guardian.

Parents/guardians will be notified of any changes and will be provided annually with a new copy of this risk management strategy.

Parents/guardians will also be kept informed of changes to risk management/blue card legislation, through written or verbal communication.

COVID-Safe Plan

SDA operates under an industry-approved COVID-safe plan.
