

CONCERT DVDS & ACTION PHOTOS

As no unauthorised recording of any kind is allowed at the concert due to copyright laws, we use a professional videographer to film our concert each year. This year we are again using Limelight Media to film and edit our concert. They are a dance-specific company who have filmed our concert for the last few years.

Chris from Kick the Cow Photography is honoured to again provide performance photography on a Photo DVD for the SDA 2020 Concert. The Photo DVD will include many shots from every dance in both concert performances. Every photo is manually processed to fully capture the spirit and emotion of the performance. The DVD will include super-high resolution images for printing up to 12x8, as well as scaled images for computer display and email.

Ordering is made easy as both the Photo DVD & the Concert DVD/USB are available on the same order form, and we're offering an excellent package discount when you purchase both. Please place your orders by filling out the form below & return with payment to your teacher by **Sunday 25th October 2020**.
