SECTION 2: COMPULSORY PRACTICE EXAM WORKSHOPS

Following please find the timetable for extra exam rehearsals for the SFD Ballet, Tap & Jazz Examination students. Each grade will have two additional lessons across three weekends towards the end of Term 2. Teachers will be checking that all the work is correct and that each student is ready for their exam. Your child may have a different teacher to their regular class in order to double check and provide a different perspective. **These lessons are compulsory for all exam students.** They are essential for all students to help them be prepared for this year's exam session.

Please wear your uniform and practice doing your hair as per the information on page 1 of this letter (however you might want to save your good tights for exam day).

**** If your child is in multiple exams for the extra practices, you can wear your tap/jazz uniform for one day and your ballet uniform the next day. You do NOT have to change clothes in between classes ****

A small fee is charged to each examination class to cover the cost of hall hire and teacher time. Please pay by direct deposit into the SDA account prior to the first class (don't forget to put your child's name as a reference).
