

DRESS REHEARSALS AND FINALE FILMING WEEK
FRIDAY 23rd OCTOBER to THURSDAY 29th OCTOBER 2020

Dress rehearsals will be held in normal class time prior to the concert. Students are to bring the appropriate costumes to class all week making sure all pieces of the costume are **clearly named**. Students do not have to wear stage makeup or their good stockings if they don't want to risk putting holes in them. **Please note the earlier starting date for dress rehearsals.**

FINALE FILMING

As we cannot have our usual live finale at the end of the concerts this year, we are going to film everyone during dress rehearsal week doing their finale choreography and wearing their black and red finale costume. The finale costume can be either dance or normal clothing as long as students can still move comfortably in it. It could be a costume from this concert, or any previous shows. Any dance shoes can be worn. Please bring your black and red costume to every class during dress rehearsal week.

The final version edited by Miss Alanah will be shown on the screens in the theatre at the end of each show.

Filming will be done in the normal class times. If you are listed in a timeslot below that wouldn't usually be your regular class, please make sure you come to this class as well. Below are the allocated times for your filming session. If you attend multiple classes per week, you can still be in each video, but the focus will be on the people listed in each timeslot so that everyone gets a chance to shine. Please note that if you are away for your filming session, you cannot make it up at a later time. You will not be able to be in the finale video.
